Fayetteville KidsPeace is pleased to present this booklet of our 2018 Involvement Opportunities.

Event Sponsorships offer marketing benefits that enhance your company's reputation as a philanthropic citizen of the community.

Happiness, belonging, safety and love. Every child deserves these basic things. Instead, most kids in the foster care system have faced physical and emotional abuse and neglect for much of their lives. KidsPeace Foster Care is a private charity founded in 1882. For more than 13 years our knowledgeable, caring staff members and foster parents have provided help, hope and healing for at-risk children and teens in the Fayetteville area.

The kids often come to us with nothing but the clothes they are wearing. Often they've already been moved several times, even during a school year. Involvement in school clubs, functions and extracurricular activities is unfeasible. Forming bonds with teachers and peers, let alone family, is nearly impossible. This lack of fundamental consistency in school and family life stacks the odds against these children. They deserve so much more. KidsPeace provides extensive training to our foster parents and takes extra care to place children in just the right homes. We provide support tailored to each child to help develop positive social, educational and emotional skills. **Our goal is not only for each child in our care to eventually become part of a loving family, but to develop their individual strengths and a positive vision for the future.**

Our Fayetteville Children's Fund helps make this passionate goal possible. The Fund is used for everything from specialized classes and private tutoring to graduation gowns, and clothing and supplies for emergency placements. We are currently planning our 5th Annual Chair-i-Table Auction for this fall. Local artists and businesses will take home one of the scarred and broken school chairs that has been donated. Each will rework their chair in a beautiful and unique way, giving it new life – just as we try to do for each child in our care. The chairs are auctioned the night of our event, with all proceeds going to our Children's Fund.

This year's event is being held at the Ramada Plaza on Thursday, September 27, 2018 doors opening at 6pm, live auction starting at 7pm.

We can't wait to see YOU there!
