KIDSPACE IS A 501(C)3 NON-PROFIT CORPORATION

WHO: KidsPeace® is a private charity dedicated to serving the behavioral and mental health needs of children, families and communities. Founded in 1882, KidsPeace provides a unique psychiatric hospital; a comprehensive range of residential treatment programs; accredited educational services; and a variety of foster care and community-based treatment programs to help people in need overcome challenges and transform their lives. KidsPeace® provides emotional and physical health care and educational services in an atmosphere of teamwork, compassion and creativity.

WHAT: The kids often come to us with nothing but the clothes they are wearing. Often they've already been moved several times, even during a school year. Involvement in school clubs, functions and extracurricular activities is unfeasible. Forming bonds with teachers and peers, let alone family, is nearly impossible. This lack of fundamental consistency in school and family life stacks the odds against these children. They deserve so much more.

WHY: What do chairs, tables and windows have to do with KidsPeace® you might ask? These items come to us a lot like the foster kids do... Torn, tattered, scuffed up, banged up, bruised and broke. The "restoring" of these chairs, tables and windows represents the foster families helping the kids. Providing a little love, care and special attention can go a long way. We sell these chairs to raise awareness and to put something once jaded back into the world with a new beginning.

WHERE: Where does your contributions go; they fund the KEYS (KidsPeace® Empowering Youth To Succeed) Program, Immediate Child Placement cost, Education (tutoring, college, SAT Test, Private School), Camps (child extracurricular activities for kids socialization growth), Christmas Gala, Foster Care Awareness Events, extensive training to our foster parents, Travel Expenses, Field Trips and so much more!

Our goal is not only for each child in our care to eventually become part of a loving family, but to develop their individual strengths and a positive vision for the future. We are currently planning our 10th Annual Auction this fall. Local artists and businesses will take home one of the scarred and broken furniture piece that has been donated. Each will rework their item in a beautiful and unique way, giving it new life – just as we try to do for each child in our care. The items are auctioned the night of our event, with all proceeds going to our Children's Fund.
